Paving • Stone Walls • Piers • Wall & Pier Capping • House Fronts • Brass & Bronze • Cast Iron • Restoration • Site Preparation

Stoneage have been operating since 1989 as a high quality stone masonry company supplying and fitting stone.

Stoneage work with all types of stone. Building stone walls such as entrances, house fronts and restoration work.

During their years of operation, Stoneage noticed that the local people of Munster were unable to access and view stone supplies up close.

Stoneage stock a large range of Paving, Building stone for Stone Walls, Decorative gravels, Water ornamental features and other eye catching designs for the Home and Garden.

In 2004 Stoneage opened there extensive showroom in Crecora, County Limerick.

Stoneage welcome you to their showroom where a wide range of stone supplies can be seen.

Stoneage is located in Crecora, County Limerick (just past Limerick race course) for directions click [here](#).

The team at Stoneage look forward to welcoming you to Crecora.

Sincerely,

John Mullins
